Note from the President

The Central Colorado Chapter of the Association of Rehabilitation Nurses invites you to join us at this exciting and informative 2010 conference. Technology is all around as well as in our rehabilitation settings. Our dynamic speakers will discuss various ways technology helps improve the lives of our patients. Our chapter conference proceeds help support education presentations throughout the year. The proceeds additionally support two annual scholarships: one for nurses interested in achieving CRRN status; and one for either student nurses or nurses advancing their education. I hope you enjoy this conference. I look forward to seeing you there.

Sincerely,

Peggy Plylar
President, CCCARN

Contact Hours

The Central Colorado Chapter of ARN is offering 7.0 contact hours for this conference.

CCCARN is an approved provider of continuing nursing education by the Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.
